

APRIL 2015

JUNIOR/MERCIAN LEAGUE

Bilston made a great start in both the Junior and Mercian League. The Junior League handed the club the toughest ever draw as we competed against the teams that finished first, second and third in last year's competition. The team had to settle for fourth place in the end but ran City of Coventry close which is a superb achievement.

In the Mercian League, the club enjoyed a well-deserved second place in the first round at Leamington Spa. Particularly pleasing at this gala was the excellent team spirit shown throughout and the support given to teammates. We look forward to the second round.

JUNIOR CAPTAINS

Zak Westwood and Holly Gregory were elected as junior captains for the 2015 season. I am confident they will be excellent role models for the club as well as all of our 12 year olds in this year's competition.

Club says goodbye to Lynda Tonks

After more than two decades at the club, Lynda has made the decision to leave the club committee. Lynda worked exceptionally hard as the club's membership secretary and will be missed. The club wishes Lynda and her family all the best for the future.

Cardiff training camp

19 swimmers will be attending the Cardiff training camp at the end of May. Please pay the balance to Julie Westwood as soon as possible. This should be a great opportunity to boost fitness/long course experience before the regionals.

Congratulations to Kim Dean

Congratulations to Kim Dean on passing her level one coaching course!!!
