### **NEW CLUB KIT**

The new club kit is now available to purchase online. This is first time the club has had a tracksuit option in nearly 20 years. Instead of simply a t-bag/hoodie, swimmers now have a choice of 2 t-shirts, a half zip top, a full zip top, tracksuit bottoms and two types of shorts. In addition, all orders made online will be ready for collection in just a week. A member of the club committee will collect stock at least once per month from the store but members may choose to collect stock themselves if they wish.

The first batch of kit will be here in time for the Cannock Phoenix/Derwentio Meet and it would be great to see as many swimmers as possible sporting the new kit. At this point, a new page will be added to our club website with photographs of our swimmers in the new club kit and an email will be sent to all members encouraging them to order the new kit and giving details of how to do this. Hopefully, many of you will have ordered your kit in time for the Staffordshire County Championships in March.

- We are also currently exploring the option of Bilston Bullet Hats and hopefully will be able to start collecting orders for these in the next few weeks once we have decided exactly which one to order. These must be paid for in advance of order so please keep checking the website/emails for details.
- We are also looking at purchasing a range of transfers(tattoos) that members will be able to purchase and wear at competitions
- We are also able to get the new club logo embroidered/printed on swimmers TYR bags and details of this are shown on a separate notice on the club noticeboard.

### **COUNTY CHAMPIONSHIPS**

Around 50 swimmers have entered this years county championships and I thank you all for your entries. A cheque for over £2000 has not been sent to the county and all entries will be available to view via [www.staffasa.co.uk](http://www.staffasa.co.uk) in the next few weeks.

### **COUNTY SELECTION**
