

BILSTON SWIMMING CLUB

## COACHING UPDATE JUNE 2018

We are delighted to announce that Deborah Arnott passed her Level 1 coaches course in May. Both Kim and Deb will begin their Level 2 Coaching Course very shortly. This ensures we have a top quality team on poolside.

As you are aware, we have had Alex Thom assisting on our coaching team to support us as we transition from Luke stepping down as Head Coach. His input and advice in terms of moving forward has been welcome. However, after discussion, both Alex and the Club feel he cannot commit to Bilston in the capacity needed. We thank him for his support and advice and wish him luck as he increases his hours at City of Birmingham.

We have the support of ASA West Midlands as we continue to actively advertise for a Head Coach and some interesting initial enquiries are starting to come in as we approach the end of the competitive season.

The club is also planning some exciting training opportunities for the new year.

We ask for your support during the interim period. Please be assured that the commitment of the committee and the dedicated coaching team remains unquestionable. The hard work and dedication continues behind the scenes!
